EDITOR'S LETTER

There used to be a Chinese curse that went something along the lines of 'May you live in interesting times.' Having seen a good few movies set in ancient China, I think 'interesting' was probably some sort of euphemism for 'war-torn', so yes, best avoided if possible. But I tell you what, I always find the sight of gorgeous women taking their clothes off rather interesting, and am happy to be living right now – not least because here's the latest issue of Mayfair!

LOFTY PURSUITS

Dear *Mayfair*,
I'm a plasterer and have been for around 17 years now and, although I work in different areas of the building trade and am on various sites, no two jobs are ever the same. Usually that's because you're encountering different problems on site or, if you're working in people's homes, the owners can get a bit arsey over the noise or mess you're making. Never in all my years, however, have I been seduced at work. Not until the end of last year, that is, when I was hired to work on a loft conversion for a single woman.

She was obviously quite well to do, with a bit of spare cash floating around, and she didn't work. Or, at least, she didn't in the two weeks it took me to do the job. She was nice enough and a bit of a MILF – not that she had kids around the place, either, but she must've been in her late 40s or early 50s. She was blonde and pretty glamorous, always in full make up and wandering round in long, floaty dresses with high heels on. She was quite flirty from the off, which I'm kind of used to, working around bored housewives a lot of the time, but she didn't actually make a pass until the middle of last week I was at the house.

I arrived at the usual time and, as she was well used to my schedule and I was always punctual, she already had a cuppa waiting for me in the kitchen. Nothing unusual in that, but this particular day, she was also cooking. She answered the door in a shorter skirt than she usually wore, showing her shapely pins off to the max, and ushered me into the kitchen, insisting that I sat down at the table.

"Since it's your last few days with me, and seeing as you've done such a superb job," she purred, "I thought I'd make you a nice full English breakfast." I couldn't really say no, as she piled sausages, eggs, bacon, mushrooms, beans and fried bread on to a plate for me.

"There! Now, eat it all up so you have plenty of energy!" And with that, she sat across the table from me, sipping a coffee and watching as I tucked in to the feast.

It didn't take me long to polish the lot off and, satisfied, I cleaned the plate with the last of the friend bread and put my knife and fork down on the plate, grinning broadly at her.

"That was lovely, thanks so much!" I

BLOSSOM HILL!

Dear *Mayfair*,
While I've been an admire of Felicity Hill since she made her debut back in Volume 50 Issue 6 (something which you seemed to have forgotten when she next appeared!), I've been blown away by the way she seems to have matured as a model in such a short space of time. Initially it was her cheeky grin more than anything else that made her stand out for me, but now, within just two years, she really has blossomed into the full article. Thank you for featuring so prominently her magnificent arse in your latest photoset of her – especially the pictures on pages 48 and 49, not to mention the cover of the issue, which hinted perfectly ad the delights contained inside! Really exceptional beauty of the sort that we've come to expect from *Mayfair* over the years!
Ian, Northants.
You're not wrong, Ian - she really has come along in leaps and bounds, and that bum really is something to behold! - The Ed.

COY CARP?

Dear *Mayfair*,
Looking back over recent issues, I've noticed that there are a few girls who put a lot more on show than some of the others do – for example in your latest issue (52.05) Jasmine, Katie, Vanessa and Flick are a lot more forthcoming than Adele, Amy and Charlie – and I was wondering what your other readers thought about this. Is it an editorial decision to hold something back with certain girls, I wonder? Some girls seem to bet more revealing over time (most notably – and much to my delight! – the gorgeous Emma Green, as her photos in the previous issue demonstrate all too clearly), so are you playing some sort of crafty long game with us?
Jake, Lowestoft.
Well Jake, there's nothing underhand. Some girls are happier to pose to certain levels of strength, and others aren't. It'd be a shame not to be able to feature some of them just because they're a little coyer, so we mix it up a bit. And sometimes they become more comfortable with certain poses and things change over time - like Emma. Personally I like it that way, but yes, I'd be interested in hearing what other readers think as well - The Ed.

said, genuinely, "But I suppose I'd better get on with the job – I'm already running behind, now!"

She didn't say much, just nodded and cleared my plate away. But, as I was leaving the room, she told me to make sure I came down for a cup of tea at lunchtime, as there was something she wanted to discuss with me. I presumed that she had another bit of work for me to do upon completing the loft conversion and agreed, before heading upstairs to make a start.

The morning flew by and, when 1:00 hit, I headed downstairs, as requested, to see what it was that she wanted. As I turned the corner into the kitchen, however, I was flabbergasted at what I found! She was sat on the table waiting for me, dressed only in a lacy bra and knickers, with her legs spread wide and a saucy grin on her pretty face. Not what I had expected at all!

> SHE PULLED HER BRA CUPS TO ONE SIDE AND GUIDED MY MOUTH TOWARDS ONE OF HER STIFF NIPPLES.

"Well, hi!" She purred, "I thought you might be puckish for something a little different today…" She smiled sexily, her fingers tracing the hard outline of her nipple through her bra. I stuttered, unsure what to do – I had never been in this situation before and, although I've read about plenty of men who have (mainly in your magazine), I didn't think it would ever happen to me! I must've stood there with my jaw on the floor for a bit of a while, because she then said, "Come here then, handsome, come and fuck my juicy pussy." I was gobsmacked, but did as I was told and headed towards her. As soon as I was within reach, she wrapped her arms and legs around me and proceeded to snog my face off. I complied, of course – I'm not stupid – but there was no doubt that she was in complete control!

Running her hands over my chest, she deftly undid my work jeans and wasted no time in pulling my hardening prick out. I have to admit, her soft hands felt really fucking good as they began to rub rhythmically, wanking up and down my rigid cock. I let out a sigh, which she must've taken as a good sign, because she pulled her bra cups to one side and guided my mouth towards one of her stiff nipples. I sucked away at her little nub, enjoying the way it made her gasp as I used my teeth to lightly nibble her. This obviously turned her on, as she pulled me in closer with her legs, still wrapped around my back, and gasped, "fuck me!"

I pushed my hand down between our bodies until I found the gusset of her small knickers, and pulled it aside. Then, noticing how dripping wet her pussy was, I pushed one finger between her fanny lips and inside her tight hole. She let out a little mewling sound, which I found really fucking horny, so after finger-fucking her for a couple of minutes, I pulled my digit out and replaced it with my throbbing dick.

Pushing myself deep inside her sopping cunt, I started slamming into her hard as she yelped and squealed. She gasped at me to keep going, that it felt "amaaaaazing", which spurred me on, and her nails raked my back through my work T-shirt as I shagged her as hard as I could, pumping away, my hands gripping her breasts roughly as she thrust her hips upwards to meet my strokes.

I fucked her and fucked her, actually surprising myself at how hard I was going, and how long I was lasting, ploughing into her until my back was aching. Then, all of a sudden she let out a wail and her pussy muscles clamped tightly around my tool as she came hard. Her muscles contracted so tightly that, as I thrust into her, I felt like she was squeezing the life out of my cock and it was too much, I couldn't hold on any longer. After a couple more thrusts, I shot my load and sprayed my hot jizz deep inside her. I kept going, though, until she had milked every last drop from my deflating prick, completely and utterly spent!

We untangled ourselves and, although it was a bit awkward, I excused myself and headed back upstairs to work. I thought it was a one-off, but for the next couple of

Do you find it tricky to keep your cool on a sultry summer's afternoon? Me too, which is why I thought a little jacuzzi in the garden might be a good idea. Only trouble is, when word gets round you've got one, you keep getting people turning up wanting to get in. Bloody typical! Ree here made it even worse by insisting on stripping off in the bloody thing, which meant that frankly the whole afternoon was a write-off. As were my trunks.

SIMPLY SWELL!

Dear *Mayfair*,
I couldn't believe my eyes when I opened the latest issue on arriving through the post. Not only were we treated to Adele, Charlie, Amy and the 'shagtastic' Flick but the gorgeous Katie Thornton in (and out of) her nurse's uniform. Is a groin massage out of the question? I've definitely got a swelling down there that could use some attention! How I would love to sample her bedside manner! Easily my favourite issue since I became a regular subscriber so big thanks to *Mayfair*.

lunchtimes we repeated our quickie on the kitchen table. It was strange because it was never mentioned at any other time and, as soon as I'd spunked deep inside her hungry hole she acted like it hadn't happened. Not that I'm complaining, of course! And, as I'm now like one of those guys I read about in your magazine, I thought it would be rude not to share my experience!
Keith, Maidstone.

TAKE ONE FOR THE STEAM

Dear *Mayfair*,
Last month my girlfriend's best mate, Fran, asked us if we would like to join her in a visit to the health club that she had recently become a member of. With promises of a relaxing swim and sauna we jumped at the chance.

When we arrived Fran signed us in and we separated to get changed, arranging to meet shortly at the pool. I was first to a completely empty pool with a sauna to the left and a steam room to the right, and I decided to do a couple of lengths while I was waiting for the girls.

When the girls eventually appeared they looked absolutely stunning in their skimpy bikinis. Their flat stomachs and toned bums really were a sight for sore eyes.

My girlfriend Suzie is a petite size six and about 5'4", while Fran is quite taller, a shapely size 12 with legs that seem to go on forever.

The girls climbed in the pool and had a quick swim with me but then went to relax on the sun loungers, their tongues doing most of the exercise. After a while I noticed they had gone, thinking they had probably decided on a massage or a leg wax. I got out of the pool and headed for the sauna. As I opened the door and my eyes began to adjust to the darkened steamy atmosphere I noticed Suzie and Fran sat at the back of the sauna.

Fran was perched on the top bench seat while Suzie was sat on the bench below – but strangely sat between Fran's legs. She was resting her head sideways onto Fran's thigh and I immediately noticed that both of the girls' nipples were rock hard, pressing through the tight material of their bikinis.

This was a little shocking at first, but the girls had been friends for years and had always been touchy feely since I had got together with Suzie.

Fran's hands were hanging over Suzie's shoulders and I was wondering if Fran had been touching Suzie's pert boobs. Suzie motioned me over to sit next to her, I did so, trying hard not to look at Fran's silky thigh that separated us. Both of them were looking extremely sheepish. Their bodies were shiny with sweat and looking absolutely gorgeous.

After a few awkward moments of wondering what to say Fran leaned forward and kissed Suzie's forehead and much to my surprise Suzie leaned her head back between Fran's thighs and they kissed passionately, and I was just able to see Suzie's tongue wriggling its way into Fran's mouth. This was getting weird and I was getting a hard-on.

> SUZIE, WHO WAS KNEELING BESIDE ME AS I BEGAN TO FUCK FRAN, REACHED FORWARD AND BEGAN STROKING FRAN'S ARSE.

Fran's hands slid down onto Suzie's tits and started kneading them. Suzie turned on to all fours, pulling Fran's bikini bottoms down and immediately started licking her pussy. Still in shock, I moved behind Suzie and knelt behind her and slid off her bikini bottoms and slid two fingers inside her very wet and silky pussy. As she started pushing back against my hand I replaced my fingers with my cock and shoved it deep inside her. It was great watching Fran squirm as Suzie eagerly licked her out.

As my rhythm began to build, Fran got up, stopping me short of shooting my wad. Suzie moved and Fran got in her place in front of me. Holding my cock she pushed backwards, forcing me inside her.

Suzie, who was kneeling beside me as I began fucking Fran, reached forward and started caressing Fran's arse in front of me. Then she started prodding at her tight little arsehole. I almost came there and then as Suzie pushed her finger deep inside Fran's arse until I could feel her finger pushing against my cock inside. My thrusts became rapid only to be stalled by Suzie playfully biting my nipple and waving her other finger at me while shaking her head.

I carried on pumping until Fran came and she rolled over, wrapped her towel around herself and left, smiling at Suzie.

With my girlfriend and I now alone, Suzie laid back and raised her legs high in the air. I moved forward to enter her hot glistening pussy. When I got close she grabbed my cock to guide it in to her, but to my surprise she pushed it against her arsehole.

With my cock still wet from Fran's juices it slipped in Suzie's arse quite easily. It was beautiful watching my cock pushing inside my girlfriend's anal passage. The whole thing had been just too much, and Suzie, feeling my cock begin to twitch, pulled it out. She wanked me off until I came over her stomach and thighs. It was awesome.

On the way home Suzie told me how they had set this up and that it was a little present for me. Well, I only hope they fancy a repeat performance, and soon!
Mikey, Yeovil.

LINSEY

What is there to say about top-shelf legend Linsey Dawn McKenzie that hasn't already been said before? She's been tenting the nation's trousers ever since she made her topless debut way back in (take a deep breath here) 1994, and she's still got exactly what it takes to do the same today! If only the rest of us could achieve such staying power, eh? The Ed can manage about three hours before he's past his peak, but LDM just seems to have been getting better and better for 23 years! Now what do you think might be the best way to show your appreciation for such a magnificent effort?

MAC TO THE... FUTURE!

Apparently the Ed's toying with the idea of getting one of these. Oh, hang on, no, he's getting a toy one...

McLaren has been a whirlwind of activity since introducing the now discontinued 12C back in 2011 (where does the time go?). Since that time, we have had the P1, the direct descendant of the legendary F1, and the 650S, whose basic styling language informs both the Sport Series and Super Series. The company continues to challenge with a wide range of offerings, and McLaren finally debuted the new 720S at the 87th Geneva International Motor Show, introducing the second-generation of McLaren's Super Series and simultaneously raising previously accepted limits of performance in the supercar sector.

The unveiling of McLaren's new supercar confirms both the 720S name and 720PS horsepower of the first model in the second-generation McLaren Super Series, details which have been teased in recent months. The Surrey-based manufacturer had issued a series of six press releases since January, each accompanied by an image or film containing a numerical reference - and it can now be revealed that 1 x 2 x 3 x 4 x 5 x 6 equals 720...

The new 720S is lighter, faster and even more dynamically capable than its McLaren 650S predecessor, with unparalleled levels of interior space and sophistication and a breadth and depth of abilities that will engage and exhilarate the driver. One glance at the 720S identifies it as a bold reinterpretation of McLaren's design language; rooted in aerodynamic principles, the beautiful form has nothing superfluous about it: immediately and undeniably a McLaren, the new 720S is arguably the most distinctive and remarkable McLaren to date.

One of the key points in the design of the new Super Series is the absence of radiator intakes on the side of the car; this function is carried out instead by the unique 'double-skin' aerodynamic form of the dihedral doors, which channel air to the high-temperature radiators that cool the mid-mounted engine.

The new M480T engine powering the 720S continues the lineage of McLaren's multiple-award-winning, twin-turbocharged V8 engine series. The 4.0-litre engine, which has 41 percent new part content compared to the 3.8-litre engine that continues to feature in the McLaren Sports Series, generates a maximum of 720PS and 770Nm of torque.

Performance is truly astonishing: standstill to 62mph takes less than 3 seconds and just 5 seconds later the car has passed the 124mph mark on its way to a maximum speed of 212mph. Braking is equally impressive, the new 720S coming to a halt from 124mph in just 4.6 seconds, covering 117m. Additionally, the extreme efficiency of the engine also goes beyond mere velocity: the new McLaren 720S delivers 10.7litre/100km combined fuel economy and CO2 emissions of just 249g/km in the New European Driving Cycle.

> ONE GLANCE AT THE 720S IDENTIFIES IT AS A BOLD REINTERPRETATION OF MCLAREN'S DESIGN LANGUAGE.

McLaren's expertise in carbon fibre structures – every road car built by the British manufacturer since the McLaren F1 in 1993 has had a carbon fibre chassis – underpins the construction of the new 720S; the architecture of the car is based around a new carbon fibre 'tub' and upper structure, the McLaren Monocage II. This technology delivers extreme strength and rigidity in a lightweight structure and is the ideal base for any supercar. A range of aluminium alloys are also used extensively in the chassis, as well as for some body panels.

A new generation of McLaren's Proactive Chassis Control, new suspension and the established excellence of McLaren's power-assisted, electro-hydraulic steering, all combine to deliver huge reserves of grip, balance and performance and an unmatched breadth of dynamic capabilities.

The hand-crafted luxury inherent in a McLaren, with the authenticity of fine leathers and machined aluminium, is complemented by the revolutionary new

"THE EXTREME EFFICIENCY OF THE ENGINE ALSO GOES BEYOND MERE VELOCITY; THE 720S DELIVERS 10.7L/100KM COMBINED ECONOMY."

McLaren Driver Interface, which comprises a Folding Driver Display and Central Infotainment Screen. In combination with a cabin environment that establishes new standards in the supercar segment for visibility, space and comfort, these attributes give the new McLaren 720S an incredible degree of usability and validate its claim to be the most complete supercar on sale today. Three grades of specification are offered, with Performance and Luxury trims extending above the standard level, all complemented by a range of option packs.

Hurrah! It's time to introduce another *Mayfair* newbie, in the possibly familiar shape of Daisy Muller, a model who made her name on the middle shelves before making this, her long anticipated (by us!) top shelf debut! Fans of *Love Island* will also doubtless remember her from the 2015 series, where she wowed viewers with her delicious bod and (at the time) striking blue hair-do. She's gone *au naturel* now, as you can plainly see!

I know that time's supposed to fly when you're having fun, but I've just looked up when Charlotte last appeared in *Mayfair*, and it was back in volume 48 – a full three years ago! Yes, working here is fun alright, but surely time shouldn't have flown quite that fast since we last clapped eyes on Charlotte's gorgeous face and delectable bod! Thankfully, while most of us seem to have gone off the boil a bit in that time, Charlotte's still looking just as flawless as ever, so we'll shut up and let her get on with what she clearly does best...

She only made her debut at the start of the year, but already Kerrie-Lee's well on her way to becoming a firm favourite in the *Mayfair* office – and with you lot as well, if the letters we got back then are anything to go by.

"Well I do aim to please!" grins the bleach-blonde cutie. "After all, it's no good being a glamour model if you don't try to give your fans what they want, is it?"

We guess not. Hmm, and we wouldn't mind a piece of it as well, please!

Scene from MAYFAIR

Once again we've managed to assemble three films that range from the bang up-to-date to the relatively ancient - but they're all top notch examples of their kind!

PREVENGE

Alice Lowe put in a memorable turn in 2012's *Sightseers*, the off-the-wall horror from Ben Wheatley (and which she co-wrote), and she's clearly got a soft spot for the genre because she's back now with her directorial debut and, well, it's an off-the-wall horror! As well as writing and directing, she also stars as Ruth, a mum-to-be whose partner – the father of the unborn child – was recently killed in a climbing accident having been cut loose by the other members of the group. All traumatic enough, of course, but then she soon realises that her unborn child is none too happy about the fate of its father and wants, well, revenge on those it holds responsible. What follows is a cracking comedy slasher in the style of *Basket Case* or (the recently re-released) *Brain Damage*. Lowe dominates in the lead role (hats off to her – she really was pregnant at the time of filming) and this is a wonderful black comedy that deserves to be seen.

THE RED QUEEN KILLS SEVEN TIMES

From one deranged lady in red to another, this time in the form of some classic Italian giallo from 1972 – the genre that took aspects of Hammer and Roger Corman's hammy horrors and gave them a sexy Italian twist. The plot's a pretty typical schlocky load of nonsense, with two sisters inheriting a creepy family castle, but (or perhaps that should be 'of course') there's some sort of terrible curse involving a painting of their ancestor – the Red Queen – who returns from the dead every hundred years in order to kill seven times! Hmm, and sure enough suitably gory deaths start occurring – but is it the red queen herself, or one of the sisters who's gone round the twist?! Director Emilio P. Miraglia mixes together all the necessary elements to produce an eye-catching and unsettling horror, and this release from Arrow sees the old film spruced up beautifully, with loads of bonus material to keep fans happy.

THE GOOSE STEPS OUT

As well as boffins like Alan Turing, R.J. Mitchell and Barnes Wallace, this film would have us believe the plucky Brits had another ace up their sleeve in the battle against the Nazis – a bumbling Will Hay (who, fact fans, really was a bit of a boffin as well)! Celebrating its 75 anniversary this year (hence the new release), *The Goose Steps Out* sees Hay starting out in familiar territory as hopeless headteacher William Potts, but when he's mistaken for a Nazi spy things take a turn for the absurd, with Potts being recruited to the secret service and sent to Germany in order to track down the plans for some deadly new weapon that's being planned. Naturally he's hopeless, but as is the way of these things he triumphs nonetheless, with a little help from Peter Ustinov and a young Charles Hawtrey. Vintage fun that's been beautifully restored.

What could be more English than afternoon tea – especially when it's served by a busty bird in a French maid's outfit?!

"Well, I've done the dusting, made the bed and now there's nothing else for me to do except serve tea – are you complaining?" asks Katie as she pushes a scone (pronounced 'Scone', btw!) in our direction.

To be honest we can think of one or two things we'd rather she was doing, but once she's flipped her mega-mams out we really can't complain too much. Now only one question remains – one lump or two?

MAYFAIR Movies

So which are the most strokeworth flicks to have dropped onto our bongo reviewer's doormat this month? Well it looks like it's these three, if the shaky copy he filed is to believed.

Wicked Pictures

STRIPPED DOWN

★★★★☆

Editor's PICK

CAST: Alana Cruise, Alexa Grace, Ana Foxxx, Chanel Preston, Alison Rey.

The genre of bongo flick that can more or less be summed up as exploring the travails of running a strip club has a new member, with this offering from Wicked. Blimey, one way or another it seems like a terrible business to get into if most of these films are anything to go by, with heavies and rent collectors always lurking round the corner. Thankfully, though, the job does have one perk – the near constant stream of sex that's on the cards – and the club that features in Stripped Down is certainly no exception to that rule! Alison's first up, and she wants to audition, but instead of watching her gyrate to The Star-Spangle Banner we get to see her being knobbed by Lucas instead. It's a solid enough shafting, and his pop shot crowns it off nicely – but we don't even learn if she gets the job! Alexa's talents are to the fore in the next two scenes – a lesbian bunk-up with Chanel and then an eye-pleasing bonk courtesy of Ryan Driller, complete with a nice bit of filthy chatter throughout. Alana Cruise keeps things moving along nicely, but for me it's the final scene with Ana Foxxx that is the pick of the crop, the rather murky lighting nothwithstanding.

★★★★☆

Private

BIG BOOBS

CAST: Rachelle Richey, Stella Cox, Lucia Love, Yasmin Scott, Courtney Blue.

There's a certain directness about the title, don't you think? Niceties of plot are all very well, but you have to go quite a long way to find someone who's going to be turned off a bongo release on account of it featuring big boobs. Even if that was ALL it featured, I think you'd still have quite a few happy viewers out there, but given that the Big Boobs in question are all attached to the front of some very comely sploshers, who then get up to some very rude things with a selection of adequately-endowed stuntcocks… well what's not to like? Patriotic strokes will be glad to see Lucia Love and Stella Cox in the mix, both letting their paramours take liberties with their jacksies along with everything else (and Lucia's old-school pubic arrangement will appeal to more traditional elements, too). Covergirl Rachelle, meanwhile, has the temerity to screw the pizza delivery boy – something which, along with pool cleaners, I thought had died a death in the 90s. Aussie Yasmine, meanwhile, takes the gold for a very spirited double-dicking indeed.

Evil Angel/Blissbox.com

DADDY I'VE NEVER SQUIRTED BEFORE

CAST: Tiffany Watson, Bailey Brooke, Kristen Scott, Jaye Summers.

Given that the 'Daddy' in question, who co-stars in all four scenes here, is Tony Ribas, and that the surnames of the girls also co-starring are Watson, Brooke, Scott and Summers, I'd like to think that we can rule out the possibility of an cosanguinity right off the bat. And given the kind of thing they're all getting up to, I for one am extremely relieved about that – I'd have been on the blower to social services otherwise, which is never the best way to settle down in front of a scuzz vid.

★★★☆☆

Poor Jaye's plight proves to be typical of the rest of the film. the 21-year-old has naver managed a squirt, and needs an experienced hand (one of Tony's, in fact) to help her fulfil her dream. Thankfully Tone's in a giving frame of mind, and gives her first a fingering, then a toy, and finally a cock to help her get her rocks off. After a lot of effort on both sides, with a good deal of energy being expended along the way, she manages it! After that Tony fucks her silly, which seems only fair. It's much the same for all the other young flampers here (including the setting) with the slight exception of blonde Tiffany, who nearly drowns our plucky swordsman, so proficient does she become at the squirts.

GENTLEMEN, That Reminds Me

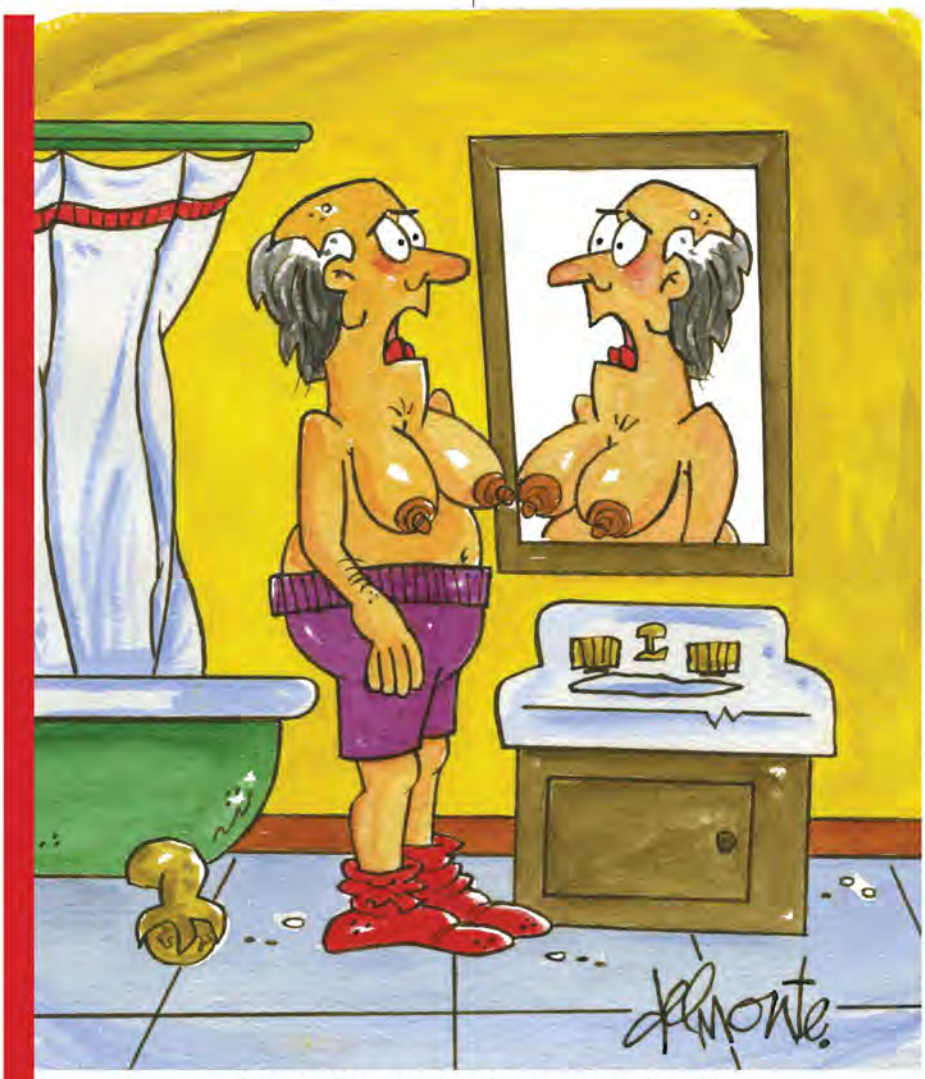
A man goes into a bar, orders twelve shots of tequila and starts drinking them as fast as he can. The bartender says, "Jesus, why are you drinking so fast?"



"Jeez, I'm turning into my mother!"

The man says, "You'd be drinking fast if you had what I had." "What do you have?" The bloke says, "20 pence."

M

A little kid gets on the bus, sits right behind the driver and starts shouting, ''If my dad was a bull and my mum a cow I'd be a little bull." The driver starts getting mad at the noisy kid, who continues with, ''If my dad was an elephant and my mum was a girl elephant I would be a little elephant." The bus driver gets angry and shouts at the kid, ''What if your dad was gay and your mom was a prostitute?!"

The kid smiles and says, ''I'd be a bus driver!"

M

A lady walks into a car salesroom, spots the perfect car and walks over to inspect it. As she bends over to feel the seats, a loud fart escapes her. Very embarrassed, she looks round to see if anyone noticed her little accident, but no-one seems to be around. As she turns back, standing next to her is a salesman.

"Good day, madam. How may we help you?" he asks.

Very uncomfortably she asks, "What is the price of this lovely vehicle?"

"Madam," he answers, "if you farted just touching it, you are going to shit yourself when you hear the price."

M

An old retired sailor puts on his uniform and goes down to the docks to rekindle old memories. Once there, he hires a prostitute and takes her up to a room. While he's banging away like a sea-dog with a rocket up its arse, he asks, "How am I doing?"

The prostitute replies, "Well sailor, you're doing about three knots."

"Three knots?" he replies, "what's that supposed to mean?"

She says, "You're not hard, you're not in, and you're not getting your money back."

M

A lady goes to the doctor and complains her husband is losing interest in sex. He gives her a pill but warns her it's still experimental. He tells her to slip it in his food at dinner. About a week later she's back at the doc's. "The pill worked great. I put it in his food like you said. It wasn't five minutes later and he jumped up, threw all the food, grabbed me, ripped all my clothes off and ravaged me right there on the table."

The doctor says, "I'm sorry, we didn't realise the pill was that strong. The foundation will be glad to pay for any damages."

The lady replied, "that's okay. We'll just stay away from KFC from now on."

M

Bob goes to a public toilet and sees a guy standing next to the urinal. The man has no arms. Bob wonders to himself how the poor man is going to take a slash. Bob finishes and starts to leave when the man asks Bob to help him out. Being a kind soul, Bob says, "Er, alright, I'll help you."

The man asks, "Can you unzip my trousers?"

Bob says, "OK."

Then the man says, "Can you pull it out for me?"

Bob looks round first and then obliges. Pulling it out he notices that it has all kinds of mould and red bumps, with hair clumps, rashes, moles, scabs and scars, and it stinks like a dead animal. Then the man asks Bob to point it for him, and Bob points for him, beginning to regret it. Bob then shakes it, puts it back in and zips it up.

"Thanks, mate, I really appreciate it," says the man.

"No problem," says Bob. "But what the hell's wrong with your penis?"

The guy pulls his arms out of his shirt and says, "I don't know, but I ain't touching it!"

As we might have mentioned, this issue's going to print on Election Day, but while the rest of the nation ponders Theresa May's stupefying campaign wobbles, here at *Mayfair* we're far more concerned with Dani Maye's stupendous wobblers! There's only so much fun to be had from putting a cross in a box, but with Dani here and her fabulous funbags the possibilities are almost endless – and that's even before you get round to the rest of her. So Dani, who will you be voting for?

"Well definitely not you, if the quality of this blurb is anything to go by!"

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

I live in Rochester and, although people say it's a bit of a dive (well, parts of it are, I guess), there's some pretty lit clubs. There's one that holds wet T-shirt contests every so often and it's always a really popular night with both girls and boys – not least 'cause there's usually a £100 prize for the girl with the best show. It's fair, because it's not just about having the biggest or best boobs, but it's the overall performance, you see, and the guys in the audience vote by cheering. Whichever girl gets the biggest cheer, wins the dollar!

When we clocked the flyers around the place for the upcoming show, my mate Nessa reckoned we should go for it. I agreed and, the night of the show we were ready to win! We had already decided to go on together as there was nothing in the rules about having to go it solo and had agreed that we'd have a bit of a kiss to make sure we won. We had a bit of competition on the night, especially from a tall brunette girl, who was gorgeous. She was wearing a white tee that ended about four inches below her tits, and she had a serious pair of knockers and massive nipples on her. The blokes were going wild for her, and we figured that she'd probably win if we didn't up the ante, so we decided to go for it.

We walked out together holding hands, both in hotpants and crop tops, giving it large to the crowd. We started off by just touching our own boobs up as we danced, before pouring water over each other, snogging and feeling each other up. The crowd were cheering us on, so we took it a stage further – Nessa knelt in front of me and started to lick up and down my pussy through my hotpants! Even though there was no contact with my skin, it was pretty fucking horny and everyone went wild! Nessa said that was probably what won it for us. I reckon she was right!

As we dried off on the dancefloor, the blokes were loving us. We got a few bitchy comments from the girls, but what can you expect? Then this one lad started calling us fakes, saying we'd obviously just put on a lezzie act to win the cash. Dead right on every point, but we weren't having that – Nessa grabbed me in a clinch and we snogged each other's face off again, putting on a right show for him. That seemed to satisfy him to a degree, but he started dancing right up against both of us, grabbing our hips in turn and grinding into us. He was pretty hot and I began to have ideas about taking him home and fucking him. It seemed that Nessa had the same thought because, as we were all dancing together, she leant over to him and yelled over the music, "Come back to ours and we'll give you a proper show!"

> NESSA SLIPPED MY KNICKERS DOWN, GIVING ME A QUICK KISS ON MY SHAVED MOUND...

He looked a bit surprised for a few seconds, before nodding furiously. I was well up for it, so the three of us left the club and headed back to Nessa's flat in the centre of town.

When we got back to hers, she poured us some drinks and turned her attention to our guest. Adam, as it turned out his name was, was like a puppy dog – he didn't know what to expect, but seemed to be expecting it to all kick off at any moment. We were just chilling in the lounge when Nessa suddenly jumped up and told him to strip off, then she disappeared. She returned a few moments later with a chair from the kitchen, and told Adam that if he wanted to watch us fuck, she'd have to tie him to it to make sure he behaved himself. He agreed to it a bit too quick, and I got the distinct impression that he was well into some light bondage.

Age: 23

By the time Nessa had finished tying him to the chair with scarves, Adam had a bit of a lob on and there was nothing he could do about it! A few lap-dancer moves – not close enough to touch, but close enough to make him think he could – and we got down to the main event.

I was trying not to giggle, but Nessa was keeping it deadly serious. She put her mouth on mine, sucking on my tongue as

her hands stroked round from my back to feel up my tits. There was lipstick all around my mouth, then all over my nipples too when she popped my tits out for a sucking.

Adam let out a moan. We hadn't gagged him, but Nessa slipped my knickers down, giving me a quick kiss on my shaved mound, then balled them up and shoved them into his mouth. He could have spat them out any time but he obviously seemed to like them in there, squirming around on the seat, with his huge hard-on

"IT WAS HARD TO TELL WHAT WAS HER ORGASM AND WHAT WAS THE NATURAL TIGHTNESS OF HER PUSSY, BUT I KEPT LAPPING AWAY...."

protruding.

Now that my pussy was bare, Nessa started fingering me, working three digits in and out of my snatch. She'd told me before that she'd never fucked another woman, bullshit, I reckoned. She definitely knew what she was doing. She had a thumb circling on my clit, and my nipple in her mouth, and that was me over and done with! I just let out a big whimper and came all over her hand. As soon as I came down, breathing hard still, Nessa went up to Adam, showing him her juice-soaked fingers. Then she came back over to me and we licked them clean. I'd already figured out what I was going to do to her – I got her to bend over and grab her ankles, and spread her arse cheeks wide, giving Adam a perfect view of her pussy. I then knelt down to swipe my tongue quickly up and down her slit, enjoying her squeals, before twirling it around in her hole, flicking and pumping. She reached back to frig her own clit, and I started thumbing her arsehole, giving her that extra tease. She'd told me during a drunken conversation on a previous night that she was really orgasmic, and I was finding it out for myself now. It was hard to tell what was her orgasm, and what was just the natural tightness of her pussy, but I kept lapping and fingering away until she had worked herself up into a frenzy. Finally she straightened up, and I realized that it was only now that

she was climaxing. She grabbed my head for support, to stop her from falling over as she groaned loudly in ecstasy. Adam was moaning through his knickers-gag, his prick now looking painfully hard.

I told Nessa we should leave him there, and fuck off into the bedroom for more fun. But she told me to go ahead, that she'd be with me in a moment. When she joined me on her bed about 10 minutes later, her mouth was dribbling with his spunk, and he'd gone. She confessed that she couldn't resist sucking him off, but then she'd untied him and told him to leave! I admit I was a little bit peeved – I would've been more than up for getting fucked by a nice, fat cock – but she made up for it by telling me that she wanted a "proper lesbian experience" and had fancied me for ages. I couldn't be mad after that! And she more than made it up to me, with the use of her very talented tongue and a number of sex toys!

"ALL FRANK COULD DO WAS GROAN AND GRIP MY HEAD AS I RANG MY TONGUE AROUND HIS PULSATING PRICK."

I know that fucking your brother in-law isn't the thing to do and could well land you the starring role on The Jeremy Kyle, but I just couldn't help myself. Especially when the sex was so great!

I've been married for almost 12 years, I've got two kids and because my husband works his arse off I get to be a housewife. Our marriage has always been a happy enough one, I couldn't really complain about the sex either, so God knows why I ended up in bed with his brother, but I did.

It all started when my husband Jeff asked if his brother Frank could stay at our house for a few months. He'd just split up with his long-term girlfriend and was waiting to move into a flat of his own. I didn't see it as a

problem, especially since he'd be working a lot of the time. But that was just the problem. Frank worked funny hours, which meant he'd sometimes be there during the day, alone with me.

Over the course of a few weeks I went from liking Frank, as you should your husband's family to fancying the pants and socks off him. Quite literally, I must add.

One morning when Jeff had gone to work and the kids to school I decided to make my move. When I heard Frank running the bath upstairs, I raced up to burst in on him. I had it all planned so naturally I was wearing my sexiest lingerie underneath my short silk dressing gown.

His initial look of shock was soon replaced by a knowing grin when I dropped my dressing gown and stepped towards him. In a matter of seconds our hands were all over each other. Frank unclipped my bra with great speed but before he could get to peeling off my knickers I dropped to my knees and took his cock in my mouth. All Frank could do was groan and grip my head gently as I fervently ran my tongue around his pulsating prick. I looked up in to his eyes as I slowly swallowed his, dick inch by inch.

"Ohhh, that's good," he groaned as I started to suck on his length. I had one hand coiled around the base of his prick while I let the other roam his bollocks and around his arse.

"Oh yes, you dirty slut," Frank groaned as I ran my tongue up and down his shaft. I sucked on his dick for a good five minutes before he told me to stand up. His hands whipped off my knickers and he hoisted me up in his arms. Then he lowered me until his hard prick skewered my already moist snatch.

I shivered as my wet pussy slid down over his cock. My petite frame was nothing for him so I bounced up and down on him, controlling the rhythm at which he thrust inside me. Occasionally I would buck backwards and forwards just to heighten the pleasure.

After a while Frank must have been feeling the strain so he lowered me to the edge of the bath, turned me round and entered me from behind. Every thrust sent a shiver down my spine as I tried to grip tightly on the edge of the bath.

Despite his dominance, Frank was very gentle. As he banged away at me his hands reached round and caressed my breasts.

> MY PETITE FRAME WAS NOTHING FOR HIM, SO I BOUNCED UP AND DOWN, CONTROLLING THE RHYTHM.

He carefully twiddled on my nipples as he delivered each firm stroke into my sodden gash.

Just as I thought he was about to explode inside me he turned me round again, laid me on my back on the floor, raised my legs high and re-entered me. His strokes were at a slower pace but due to our position they felt as if they were penetrating much deeper.

By this time I was gasping. My first climax was approaching and Frank could detect this. He increased his pace in time with my pants of satisfaction. Then my mind went into freefall as I was gripped by an orgasm.

My body wriggled and jerked but Frank didn't let up. He just kept hammering away,. This triggered another wave of ecstasy and when I lost count of how many times he had made me come I started to wonder if Frank was ever going to shoot his load.

Age: **42**
From: **PLYMOUTH**

Eventually I saw the look on his face, a strained smile accompanied by urgent grunts and thrusts. Then I felt my pussy get flooded with his hot sticky sperm. Frank was well out of breath as he made his final pumps inside me.

I was overwhelmed by the fucking I had just received and I'm sure we spent the next hour slumped together on the floor. Obviously I felt guilty but with Frank showing no signs of remorse and the damage already done we continued to fuck each other as much as we possibly could for the next few months until Frank eventually got his own place.

After he moved out we made a pact to stop our little affair but I know that if I'm ever in need of the best shagging of my life I'll have to break that pact! I don't suppose it'll be long…

MORE POWER - MORE CONTROL - MORE PLEASURE

MIRANDA

PHOTOGRAPHED BY JOHN ALLUM

MAYFAIR
Classic

When you talk to Miranda Hobbs, and first hear her lilting north eastern accent it's easy to commit a terrible *faux pas*. It's one that 25-year-old Miranda will chastise you for immediately. 'Don't call me a Geordie!' she insists, and rightly so. Miranda is from Sunderland, and as such is a Wearsider, not a Tynesider, and although the untrained southern ear may not detect the difference in dialect, it is one they are proud of. 'All Londoners think I'm from Newcastle,' says Miranda who now lives in Ealing, and is touchy about accent. Not surprisingly as she is something of a linguistics expert. Would you believe that she speaks three foreign languages?

MAYFAIR Classic

A full 32 years ago this issue (20.10) featured all sorts of goodies, including a profile of Dr Crippen (always nice to read about Edwardian murderers in between admiring naked ladies, innit?) and a feature on early Aston Martins. All very interesting, but it's this set of Miranda, shot by the great Joanie Allum, that really caught our eye. We're not sure we'd describe the Mackem accent as 'lilting', exactly, but we guess it must have been something of a novelty back in the 80s!

Miranda is fluent in French, German and Spanish, which she learned at her Sunderland comprehensive, and hopes to visit those and a host of other countries. She admits to having itchy feet, though she now prefers London to her north eastern birthplace. Her 36-24-35 figure can be seen most frequently at *Stringfellows*. 'I love disco dancing, and always stay until they close in the early hours of the morning'. Miranda also keeps fit with a game of ice hockey. 'It's very rough, but not so bad when girls are playing, and I really love it'. If Miranda chooses to stay in London, she will join the ranks of many successful Sunderlanders. 'James Bolam is from there,' she told us, 'and Dave Stewart of The Eurythmics. And I don't suppose they like being called Geordies either,' Miranda added with a grin. Gentlemen of the south, you've been warned.

MAYFAIR

Vol.52 No.8

On Sale July 26th

Surely the last thing you'd want to read in a magazine is telling you to forget about what's in it and start thinking about what's in the following month's issue. That's why we've made sure it IS the last thing you'll read in the magazine. See what we did there? Ahem, anyway, we actually don't want you to cast aside this issue until you've had your fill of the lovelies contained herein (which should take a while), but when the time comes we just wanted to know that there are more bounties to come, not least in the guise of Jada Cameo and Danni Harwood. Be seeing you!
